Contact [http://www.railstotrails.org/resources/documents/resource\\_docs/RTC%20Fact%20Sheet\\_Railbanking.pdf](http://www.railstotrails.org/resources/documents/resource_docs/RTC%20Fact%20Sheet_Railbanking.pdf) for a “boiler-plate” letter to use with the Surface Transportation Board docket #AB-33 sub no. 284x. Filing this letter does not commit you to acquire this corridor, it merely gives you time to develop a rail-trail proposal.
- **Lemont Trails** James Brown and Diane Banta from National Park Service will be hosting another meeting regarding trail connections in the area.
- **Rockford** Bike path plan awaits decision by city leaders. **Please contact your alderman** and let them know that we need more trail connections. A couple shared their frustration at having to ride along a dangerous section of Perryville Road from Cherry Valley to reach their nearest trail.
- **Loves Park** will annex a portion of Argyle to allow operation of Paulson’s Agricultural Museum.
- **Poplar Grove** is planning to enhance the Long Prairie Trail with Trellis Signs.
- **Belvidere** is planning a brochure to identify trails and connections. Bev got lost on McKinley Street.
- **Carlyle** a motorist who hit and killed a bicyclist received a sentence of 9 years & a \$5,000.00 fine.

#### REGIONAL TRAIL NEWS:

- **RMAP GREENWAYS & TRAILS PLAN 3<sup>RD</sup> UPDATE** is down to 3 Consultants for the Project.
- **Savanna to Thompson** connection on the Great River Trail should be finished soon. Bev rode around the barricade and got about 2 miles down the new section before she was sent back by a person from the Wildlife Center. Riders who tried later made it all the way down to Thompson. NO MORE RIDES DOWN HIGHWAY 84. YIPPEE.
- **Highway 66 from South Bloomington to Shirley** should be complete by fall. Construction of the 7/10 mile extension of the Constitution Trail Main North South Branch is also continuing. ### IN JUNE ITC,

- **E-mailed TRAIL NEWS** to 124 members and postal mailed to 74 members. Keep in mind that several of our members are clubs with many more members such as the Blackhawk Bike Club in Rockford who joined with a check for \$100.00. – Trailblazer renewals for \$100.00 were received from Duard Inch of Geneseo, Village of Godfrey & Randall Miller from Lombard.
- **Sally Olds from Chicago** called to ask Bev why she had not cashed her check for \$300.00. I think the check got lost in the postal mail. She cautioned Bev not to spend it all in one place so Bev looked at the financial statement and saw that \$1,000 has been spent on the web site, \$900 on Office Supplies and \$700 on Postage. Bev does not take income but rent for the office is \$800.00 for 8 months. Gross revenue for 8 months is \$6,100.00. Bev is definitely cheap & continues to whine for more TRAILS.
